

HOW TO ACCESS THE UPPER STRUT MOUNTINGS

Peugeot 307

FI073EU

- The upper shock absorber mountings are accessible after:

| TIGHTENING TORQUES | daN.m |
|----------------------------------|-------|
| Upper mounting | 6.9 |
| Mounting shock absorber to pivot | 9 |

- 1 – Removal of the front wipers arm.
- 2 – Releasing the clamps of the plastic protection that covers the wiper housing compartment
- 3 – The upper strut mountings are now accessible.
